Panduan

Download Aplikasi

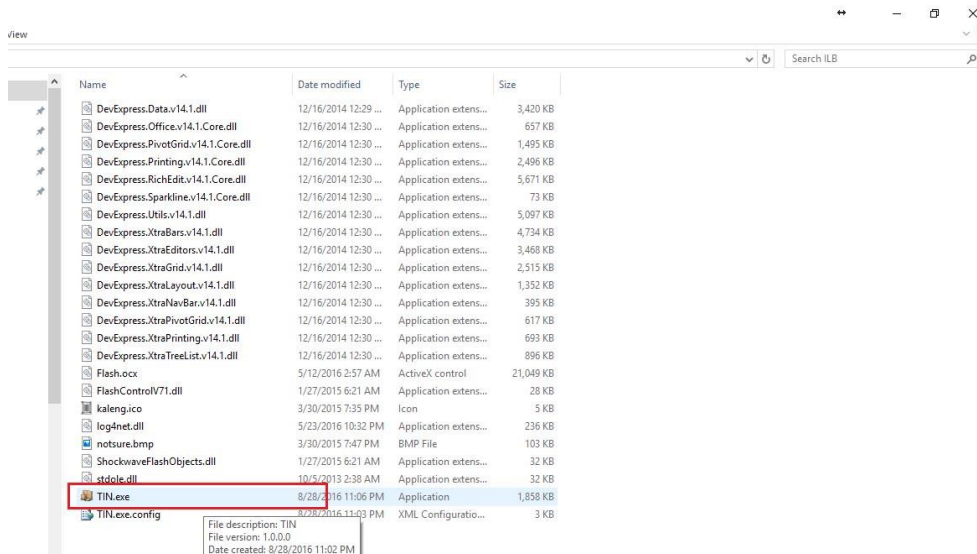

- Download aplikasi e-Inventory pada alamat web [ICDX](#).

A screenshot of a web page for 'e-Inventory'. At the top, it shows a breadcrumb trail: 'HOME >> ILB >> e-Inventory'. Below this is a heading '► e-Inventory' with an orange arrow. The main text describes the integration of the Management System Computer-Based for Information System Inventory (IT Inventory) with the Directorate General of Customs and Excise on Procedures Bonded Logistics Center. It explains that the system is responsible for recording receipts, expenditures, and tracing of goods. A section titled 'Downloads' is at the bottom, containing a list with two items: '• ILB e-Inventory' and '• e-Inventory User Guide'. The first item is highlighted with a red rectangular box.

- Buka folder download pilih file ILB.zip kemudian extract pada folder.

- Setelah di extract buka folder ilb, kemudian pilih program TIN.
